For life on the move...

Powered by Passion
Adding value to automobiles worldwide, we are Spark Minda

ABOUT THE GROUP

SPARK MINDA, Ashok Minda Group is a leading manufacturer of automobile components with plants in India, Europe, ASEAN, CIS, Mexico, China and a design centre in Japan. In a fast-moving world, we make automobiles safer, faster and better. Standing true to our name, we add value to them. At SPARK MINDA, we simply have one motto – to facilitate our esteemed customers in staying ahead!

“Powered By Passion, we have set benchmarks and have achieved them. The coming days will usher in a change with continuity in our vision with the SPARK being our guiding light. As Mr. Ashok Minda, GCEO says, “Keep the fire burning in you!”, Our journey to prove our passion for excellence has just begun and we still have miles to go. We should accomplish it with great zeal, competency and willingness while nurturing individual talent, making SPARK MINDA a happy, inspiring and a proud place to work where we deliver products that give customers an edge in their businesses.”

OUR VISION

To be a Dynamic, Innovative and Profitable Global Automotive Organization for emerging as the Preferred Supplier and Employer, to Create Value for all Stakeholders.

OUR MISSION

Our mission is to be an automotive System Solution provider and Build a Brand recognized by vehicle manufacturers progressively all over the world, as an organization providing products and systems Unparalleled in Quality and Price.

- Passion for Excellence
- Nurture Talent, Competency & Willingness
- Respect & Humility

CORE PURPOSE

To be a happy, inspiring and proud place to work, setting benchmarks and delivering products that give customers an edge in their businesses.
Group on the move

Founded by Late Sh. S.L. Minda in 1958, the Group achieved various milestones and established itself by becoming a leading name in manufacturing of automobile components. Mr. Ashok Minda joined this legacy in early 1983. Thereon, his untiring spirit, sharp business acumen, progressive thinking and an eye on the future ensured that the family business grew into a multifarious and multi-product professional organization with global footprints and recognition.

Joint Ventures with Global Leaders like:

- Stoneridge Inc., USA
- VAST, USA
- Silca S.p.A., Italy
- Uzavtosanoat, Uzbekistan
- Furukawa Electric, Japan
- Shandong Beiwei Hai Hua, China

Inorganic Growth Journey

With acquisitions in Germany, Poland and China along with Green Field Projects in Indonesia, Vietnam, Uzbekistan, Czech Republic and Mexico.

Powered by Passion
SPARK MINDA, Ashok Minda Group is a group that has grown with technology, keeping an eye on the latest advancements made across the world. With a focus on developing new products, a special cell is dedicated to develop new technology products for our customers, giving them a technological edge everytime. As a practice, all our products are benchmarked with the best in the class. We hold many patents to ensure uniqueness in our technical competence.
